The logo we have chosen to design is **facebook**

Questions we would ask

1. What are the different functionalities
2. Who is the target audience
3. What should the brand represent
4. Any color the specifications
5. What values does company want to highlight through the logo

Things we would consider while designing a logo
1. The logo should be memorable
2. The logo has to be appropriate, culturally fit, versatile(effective at any size)

The designed logo is
